Dear Supervisors:

**FINDING AND ORDERS OF THE BUILDING REHABILITATION
APPEALS BOARD
SUPERVISORIAL DISTRICT 2
3 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

Adopt the finding and orders of the Building Rehabilitation Appeals Board which provides for abatement of public nuisance at the following location for approval:

8501 Hooper Street, Los Angeles

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Title 26 of the Los Angeles County Code, the Building Code, provides for abatement of public nuisances through rehabilitation procedures contained in Chapter 99. The Building Code also provides for a Building Rehabilitation Appeals Board, appointed by your Board, for the purpose of hearing appeals on matters concerning public nuisances.

Government Code Section 25845 requires that the property owner be provided an opportunity to appear before the Board and be heard prior to abatement of the nuisance by the County. However, your Board adopted modified procedures which delegated the required hearing to the Building Rehabilitation Appeals Board with the requirement that the Building Rehabilitation Appeals Board make a written recommendation to your Board.

Implementation of Strategic Plan Goals

This action meets the County's Strategic Plan Goals of Service Excellence and Children and Families' Well-Being as it provides services to the public that have a wide-reaching positive effect on the entire community. The action will provide for the arrest and abatement of neighborhood deterioration and the elimination of unsightly, unsafe, and unhealthful conditions which constitute a public nuisance. It will require the repair or demolition of a substandard structure and the removal of trash, junk, debris, and overgrown vegetation from private property.

FISCAL IMPACT/FINANCING

No negative fiscal impact or increase in net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Building Rehabilitation Appeals Board has conducted the required hearing for the property listed below. The Building Rehabilitation Appeals Board considered all competent evidence and testimony offered by all persons pertaining to the matters of substandard property. The Building Rehabilitation Appeals Board made a finding of facts in the matter and declared the following property to be a public nuisance.

Your Board may either adopt the finding and orders of the Building Rehabilitation Appeals Board without further notice of hearing or may set the matter for a de novo hearing before your Board.

ADDRESS: 8501 Hooper Street, Los Angeles

FINDING AND ORDERS: The Board made a finding that the property is substandard, declared the property a public nuisance, and issued the following orders: a) That the property be cleared of all trash, junk, debris, discarded household furniture and appliances, miscellaneous personal property, and all excessive vegetation by July 18, 2003, and maintained cleared thereafter. b) That the structure be closed to prevent unauthorized entry by July 18, 2003, and maintained closed thereafter. c) That the structure be repaired per noted defects or demolished by August 19, 2003. Demolition includes the removal of all foundations, slabs, walks, driveways, debris, and the proper abandonment of any sewer or sewage disposal system.

List of Defects

1. Maintenance of premises so out of harmony and/or conformity with the maintenance standards of adjacent properties as to cause substantial diminution of the enjoyment, use, or property values of such adjacent properties.
2. The building was open and accessible to children, vandalized, and existed as a fire hazard and a threat to public safety and welfare, until it was barricaded, as requested by the Fire Department.
3. Broken windows constituting hazardous conditions and inviting trespassers.
4. The roof covering over the dwelling has deteriorated.
5. The roof sags and supports are inadequate.
6. Overgrown vegetation, weeds, and debris constituting an unsightly appearance or a danger to public safety and welfare.
